

WEEKLY BULLETIN

w/c Monday September 16th 2019

Bus routes

The website has now been updated with the current bus routes. These can be found at <https://www.mounthouse.org.uk/school-life/transport/>

Elevate Programme

This week Y7 focused on Study Skills Kick Start and Y8 looked at Junior Time Management. Next week's focuses are Memory Mnemonics for Y9, Study Sensei for Y10 and Student Elevation for Y11.

Mr McCormick

Mr McCormick has now progressed into the semi-final of the Mensa Scrabble Championship, having beaten all opponents on his way there without dropping a single game. A finalist in 2014, he meets one of last year's finalists in the semi-final match to be held in Suffolk in early October. Good luck to Mr McCormick!

Reminder - Open Day – Saturday 28th September

A polite reminder that all students, from Year 7 to Year 13, should be present at our open day to act as guides and to help run activities in classrooms. We always receive very good feedback about our pupils from our visitors, and we look forward to seeing all our pupils here on the day.

If you have any family, friends or neighbours who you think might be interested in sending their children to Mount House please do encourage them to come

Dates for your diary

- September 17th – Elevate Programme for Y9-Y11
- September 17th – Home match - Girls Y8 netball team v East Barnet School
- September 28th – Mount House Open Day
