

Mount House School Terms and Conditions

1 Introduction

1.1 **Terms and conditions:** These Terms and conditions reflect the custom and practice of independent schools and together with:

- 1.1.1 the letter of offer;
- 1.1.2 the Conditions of Award if applicable;
- 1.1.3 the acceptance form; and
- 1.1.4 the fees list

they form a legally binding contract between the Parents and the School for the provision of educational services. These Terms and conditions are intended to promote the education and welfare of students and the stability, forward-planning, proper resourcing and development of Mount House School.

1.2 **Fees and Notice:** The rules concerning Fees and Notice are of particular importance and are set out in Section 4 and Section 9.

1.3 **Managing change:** Mount House School, as any other school, is likely to undergo a number of changes during the time your child is a student here. Please see Section 11 for further details of the changes that may be made and the consultation and notice procedures that will apply.

2 Terminology

2.1 **School or We or Us:** means Mount House School Limited trading as Mount House School as now or in the future constituted (and any successor). The School is constituted as a private limited company.

2.2 **Board of Directors:** means the Directors of the School who are appointed from time to time under the terms of its governing instrument and who are responsible for governance of the School. The Board of Directors will appoint a Board of Governance as an advisory panel.

2.3 **Head:** means the Head of the School as appointed by the Board of Directors and includes those to whom specific duties of the Head have been delegated. The Head is responsible for the day-to-day running of the School.

2.4 **Parents or You:** means any person who has signed the acceptance form, including a legal guardian who has signed the acceptance form where applicable. The Parents are legally responsible, jointly and severally, for complying with their obligations under these Terms and conditions. Fees payable by a third party (for example, an employer, grandparent, step-parent without Parental Responsibility or third party credit provider) will be subject to a separate agreement between the School, the Parents and the third party. Please also see clause 4.3 and clause 11.7.

2.5 **Parental Responsibility:** Those who have Parental Responsibility (i.e. legal responsibility for the child) are entitled to receive relevant information concerning the child whether or not they are a party to this contract unless a court order has been made to the contrary, or there are other reasons which justify withholding information to safeguard the best interests and welfare of the child.

2.6 **Student:** means the child named on the acceptance form. The age of the Student will be calculated in accordance with British custom.

3 **Admission and entry to the School**

3.1 **Registration and Admission:** Applicants will be considered as candidates for Admission and Entry to the School when the registration form has been completed and returned to Us and the non-returnable Registration Fee paid. Admission will be subject to the availability of a place and the Student and the Parents satisfying the admission requirements at the relevant time. The admissions requirements are set out in the School's Admissions Policy current at the time and published on the School's website. **Admission** occurs when the Parents accept the offer of a place. **Entry** occurs on the date when the Student attends the School for the first time under these Terms and conditions.

3.2 **Ethos and character:** The School is a mainstream, day school for boys and girls aged from 11 - 18 years. The School has a Christian ethos and welcomes staff and children from many different ethnic groups, backgrounds and creeds.

3.3 **Offer of a place and deposit:** A deposit (**Acceptance Deposit**) as shown on the fees list for the relevant year will be payable when the Parents accept the offer of a place. The Acceptance Deposit will be retained in the general funds of the School until the Student leaves and will be repaid by means of a credit without interest to the final payment of Fees or other sums due to the School on leaving, unless stated otherwise in these Terms and conditions. See also clause 9.6.

3.4 **Additional Deposit:** For reasons of administration, the right is reserved to require the Parents to pay an additional deposit (**Additional Deposit**), as shown on the fees list for the relevant year, in circumstances where the Student's normal residence is outside the United Kingdom. The Additional Deposit will be retained in the general funds of the School until the Student leaves and will be repaid by means of a credit without interest to the final payment of Fees or other sums due to the School on leaving, unless stated otherwise in these Terms and conditions. See also clause 9.6.

3.5 **Immigration:** The School currently holds a Child Student sponsor licence. The Parents must inform the Head when returning a completed registration form or at any other time if their child requires sponsorship from the School in order to obtain a visa to study at the School. It shall be the Parents' responsibility at all times to ensure that their child has the appropriate immigration permission to live in the United Kingdom and to study at this School, and the Parents shall permit the School to take and retain copies of all documentation required to be kept by the School in order to comply with its duties as a Child Student sponsor, including the passport, visa, vignette and /or biometric resident permit of the Student and, where necessary, the Parents. The Parents shall immediately inform the School of any intended or actual change in the Student's accommodation arrangements during their period of sponsorship. Please also see clause 9.14.3.

4 Fees

- 4.1 **Fees:** may include alone or in combination any of the Registration Fee, the Acceptance Deposit, the Additional Deposit, tuition fees, fees for extra tuition, other extras such as house charges, clothing and equipment, photographs or other items ordered by the Parents or the Student or charges arising in respect of educational visits, or damage where the Student alone or with others has caused wilful loss or damage to School property or the property of any other person (fair wear and tear excluded), or bank charges arising from default in Fees payment or late payment charges if incurred.
- 4.2 **Payment of Fees:** The Parents jointly and severally agree to pay the Fees applicable to each Term together with taxes, as applicable, directly to the School. Fees for each Term are due and payable as cleared funds before the commencement of the School Term to which they relate. If an item on the Fees invoice is under query, the balance of that Fees invoice must be paid. Any refund payable by the School following such query will be made by means of credit on the next Fees invoice issued in respect of the Student. The right is reserved for the School to charge for certain extras as and when they arise, and such items will be payable immediately by the Parents via the payment system used by the School. The School reserves the right to refuse a payment if it is not satisfied as to the identity of the payer or the source of the funds or where it has reason to believe that it may be unlawful to accept the payment. The School does not accept payment by cash or cheque.
- 4.3 **Payment of Fees by a third party:** An agreement with a third party to pay the Fees or any other sum due to the School does not release the Parents from liability if the third party defaults and does not affect the operation of any other of these Terms and conditions unless an express release has been given in writing, signed by the Bursar. The School reserves the right to refuse a payment from a third party.
- 4.4 **Indemnity:** The Parents shall indemnify the School against all losses, expenses (including legal expenses) and interest suffered or incurred by the School if the School is required to pay all or part of any sum paid on behalf of Parents to a third party.
- 4.5 **Refund or waiver:** Save where there is a legal liability including liability under a court order or under the provisions of this contract to make a refund or reduction, Fees will not be refunded, reduced or waived if:
- 4.5.1 the Student is absent through illness; or
 - 4.5.2 a Term is shortened or a vacation extended; or
 - 4.5.3 the Student is released home before or after public examinations or otherwise before the normal end of a Term; or
 - 4.5.4 the School is temporarily closed due to adverse weather conditions or other safety related or good reasons; or
 - 4.5.5 for any reason other than exceptionally and at the sole discretion of the Head in a case of genuine hardship.

See also Section 10 for information about events beyond the control of the parties.

- 4.6 **Exclusion for non-payment:** The School may exclude the Student by providing written notice if at any time payment of any amount is overdue, including where the School refuses to accept a payment under clause 4.2. If the Student is excluded for a period of 28 days or

more in such circumstances, he / she will be deemed withdrawn without Notice and a Term's Fees in lieu of Notice will be payable in accordance with Section 9. Exclusion in these circumstances is not a disciplinary matter and there is no right to a Board of Directors' Review. The School may withhold any information, character references or property while any sum remains overdue where it is lawful to do so.

- 4.7 **Late payment:** Simple interest may be charged on a day-to-day basis on overdue invoices. The rate of interest charged will be at up to 1% per month accruing on a daily basis. The Parents shall also be liable to pay all costs, fees, disbursements and charges including legal fees and costs reasonably incurred by the School in the recovery of any unpaid Fees or other sums due regardless of the value of the School's claim.
- 4.8 **Part-payment:** Any sum tendered by or on behalf of the Parents that is less than the sum due and owing may be accepted by the School on account only. Late payment charges may be applied to any unpaid balance, as set out in clause 4.7.
- 4.9 **Appropriation:** Payments will usually be allocated by the School to the earliest balance on the Fees account. The Parents agree that a payment made in respect of one child may be appropriated by the School to the unpaid account of any other child of the Parents.
- 4.10 **Instalment arrangements / Fees in advance scheme:** An agreement by the School to accept payment in advance or by instalments is discretionary and will be subject to separate agreement(s) between the Parents and the School. Where there are inconsistencies between these Terms and conditions and those of any additional agreement or invoice issued by the School to the Parents (as applicable), the Terms and conditions of the additional agreement or the invoice shall prevail.
- 4.11 **Scholarships:** Every scholarship or other award or concession is a discretionary privilege and is subject to high standards of attendance, diligence and behaviour on the Student's part and to the Parents treating the School and its staff reasonably. The terms on which such awards are offered and accepted (the **Conditions of Award**) will be notified to the Parents and, in the case of a scholarship, the Student at the time of offer. Any value attached to a scholarship shall be deducted from Fees before any other concession is calculated or assessed. Further information about the School's scholarship system is available on the School's website.
- 4.12 **Fees increases:** Fees are reviewed annually and are subject to increase from time to time. If the Parents receive less than a Term's notice of a Fees increase they may give to the School written Notice of Withdrawal of the Student within 21 days and will not be liable to pay Fees in lieu of Notice and the Acceptance Deposit and Additional Deposit, if paid, will be refunded without interest, less any sums owing to the School.
- 4.13 **Information about Fees:** The Parents acknowledge that the School may make enquiries of the Student's previous schools for confirmation that all sums due and owing to such schools have been paid. The Parents also acknowledge that the School may inform any other school or educational establishment to which the Student is to be transferred if any sums due to this School are unpaid.
- 4.14 **Identity of Fees payer and source of funds:** From time to time the School may need to obtain satisfactory evidence of the identity of a person who is paying Fees, such as sight of a passport, or the source of any funds used to pay Fees and the Parents agree to provide such information as reasonably requested by the School in this respect.

5 Educational matters

- 5.1 **Provision of education:** The School will do all that is reasonable to provide an educational environment and teaching of a range, standard and quality which is suitable for each student and to provide education to at least the standard required by law in the particular circumstances. The School will exercise reasonable care and skill in providing educational services for the Student but cannot guarantee that the Student will achieve his / her desired examination results or that results will be sufficient to gain entry to other educational establishments.
- 5.2 **Organisation of the curriculum:** We reserve the right to organise the curriculum and its delivery in a way which, in the professional judgement of the Head, is most appropriate to the School community as a whole. This may be by online or other form of remote learning. We will endeavour to inform the Parents of significant changes to the curriculum and the reasons for them as soon as practicable. The curriculum includes teaching which actively promotes the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect for and tolerance of those with different faiths and beliefs. If the Parents have specific requirements or concerns about any aspect of the Student's education or progress they should contact the Student's tutor, or other appropriate member of staff, as soon as possible, or contact the Head in the case of a serious concern.
- 5.3 **Progress reports:** The School shall monitor the Student's progress and shall report to the Parents by means of grades, full written reports and parents' meetings.
- 5.4 **Sex education:** The Student will receive health and life skills education including relationships and / or sex education appropriate to his / her age in accordance with the curriculum from time to time unless the Parents have given formal notice in writing that they do not wish the Student to take part in part or all of the sex education aspect of the curriculum. The Student cannot be withdrawn from relationships education.
- 5.5 **Public examinations:** The Head may, after consultation with the Parents and the Student, decline to enter the Student's name for a public examination if, in the exercise of his / her professional judgement, the Head considers that by doing so the Student's prospects in other examinations would be impaired and / or if the Student has not prepared for the examination with sufficient diligence, for example, because the Student has not worked or revised in accordance with advice or instruction from his / her tutors. Public examination results will usually be shared with the Student's parents where requested.
- 5.6 **Examination services:** The Head may, after consultation with the Parents and, if appropriate, the Student, decline to apply for post-examination services if, in his / her professional judgement, it is considered not to be in the best interests of the Student or the examination cohort to do so.
- 5.7 **Reports and references:** Information supplied to the Parents and others concerning the progress and character of the Student, and about examinations, further education and career prospects, and any references shall be given conscientiously and with all due care and skill but otherwise without liability on the part of the School.
- 5.8 **Learning difficulties:** The School shall do all that is reasonable to detect and deal appropriately with a learning difficulty which is considered to be a "special educational need". The School staff are not, however, qualified to make a diagnosis of conditions such as those commonly referred to as dyslexia, or of other learning difficulties.

- 5.9 **Screening for learning difficulties:** The screening tests available to schools are indicative only: they are not infallible. The Parents will be notified if a screening test indicates that the Student may have a learning difficulty. A formal assessment can be arranged by the School at the Parents' expense or by the Parents themselves. The Parents agree to cooperate fully with any investigation of the Student's educational needs and any refusal to do so may be regarded as unreasonable behaviour. See also clause 8.12.3.
- 5.10 **Information about learning difficulties:** The Parents shall notify the Head when completing the School's Confidential Information Form and subsequently in writing if at any time they are aware or suspect that the Student has a learning difficulty. The Parents must provide the School with copies of all written reports and other relevant information. The Student's place will be cancelled, or, once the Student has started, the Parents will withdraw the Student, upon request, if, in the professional judgement of the Head and after consultation with the Parents and with the Student (where appropriate), the School is unable to provide adequately for the Student's special educational needs. The usual provisions regarding Notice of Withdrawal and Fees in lieu of Notice do not apply in these circumstances. The School reserves the right to charge for the provision of additional teaching and / or other support arrangements where it is lawful to do so.
- 5.11 **Moving up the School:** It is assumed that, if the Student satisfies the relevant criteria at the time, he / she will progress through the School and will ultimately complete Year 13. The relevant criteria for progression through the School are set out in the School's Admissions Policy. The Parents will usually be consulted before the end of the Spring Term if there appears to be any reason why the Student may be refused a place in the next year at the School. Unless the Student will be leaving at the end of Year 13, the Parents must give a Term's Notice in writing (i.e. before the start of the Summer Term) in accordance with the provisions about Notice in Section 9 below if they do not intend the Student to proceed to the next year at the School, or a Term's Fees in lieu of Notice will be payable.
- 5.12 **Intellectual property:** Where the Student creates a copyright work, including where the work is created jointly with a member of staff or another student, the School may use that work for the purpose of promoting the interests of the School, including exhibiting it, publishing it in the School magazine or putting it or a copy of it on the School's intranet, social media or public website.
- 5.13 **Student's work:** The Parents consent for themselves and (so far as they are entitled to do so) on behalf of the Student, to the School retaining the Student's original work until, in the professional judgement of the Head, it is appropriate to release the work to the Student. Certain coursework may have to be retained for longer than other work in order to reduce the risk of cheating. This does not prejudice the Student's or the Parents' right to access their personal data under data protection law. We will take reasonable care to preserve the Student's work undamaged but cannot accept liability for loss or damage caused to this or any other property of the Student by factors outside the direct control of the Head or staff.
- 5.14 **Consent for educational visits:** A variety of educational visits will be provided for the Student. The Parents will be provided with relevant information in advance of educational visits. Unless the Parents specifically notify the School in writing that they do not wish the Student to take part in a specific educational visit, by signing the acceptance form or agreeing to be bound by these Terms and conditions the Parents consent to the Student taking part in all educational visits. These include:
- 5.14.1 visits (including overnight or residential stays) which take place during the weekends or school holidays;

- 5.14.2 non-routine off-site activities and sporting fixtures which extend beyond the normal start and finish of the school day;
- 5.14.3 adventure activities which may take place at any time; and
- 5.14.4 visits that cost less than £50.

The Parents agree that the Student shall be subject to School discipline in all respects whilst engaged in an educational visit.

- 5.15 **The cost of educational visits:** The School will advise the Parents in advance of any additional costs associated with an educational visit, including those visits described in clauses 5.14.1 to 5.14.3 above. The cost of such a visit or any visit with a cost in excess of that stated in clause 5.14.4 will be payable in advance and may be subject to a separate agreement. All additional costs (such as medical costs, taxis, air fares, or professional advice) incurred to protect the Student's safety and welfare, or to respond to breaches of discipline, will be added to the fees invoice. The School reserves the right to prevent the Student from taking part in an educational visit while overdue Fees remain unpaid or where it is deemed inappropriate for them to take part for reasons of discipline or safety.

6 Pastoral care

- 6.1 **The School's commitment:** We will do all that is reasonable to safeguard and promote the Student's welfare and to provide pastoral care to at least the standard required by law in the particular circumstances. We will respect the Student's rights and freedoms which must, however, be balanced with the lawful needs and rules of the School community and the rights and freedoms of others. The Parents agree that the Head has the right to require the Student to remain away from the School temporarily at the home of his / her Parents or education guardian:
 - 6.1.1 pending the outcome of an investigation (please see also clause 8.5 below); or
 - 6.1.2 if the Head considers that the Student's presence at the School presents a risk to himself / herself or to any other student or to any member of the School community.
- 6.2 **Complaints:** Any expression of dissatisfaction about action taken, or a lack of action by the School where the Parents seek action by Us must be notified to the School as soon as practicable. The Parents will remain courteous and respectful at all times in their dealings with the School regardless of any complaint. A copy of the School's complaints procedure can be obtained from the School's website or supplied on request. See also clauses 8.12.3 and 8.17.
- 6.3 **Student's rights:** The Student, if of sufficient maturity and understanding, has certain legal rights that the School must observe. These include the right to give or withhold consent in a variety of circumstances and certain rights to confidentiality and, usually, the right to have contact with his / her parents. If any conflict of interest arises between the Parents and the Student, the rights of, and duties owed to, the Student will in most cases take precedence over the rights of, and duties owed to, the Parents.
- 6.4 **Head's authority:** The Parents authorise the Head to take and / or authorise in good faith all decisions which the Head considers on proper grounds will ensure good order and safeguard and promote the Student's welfare, and the welfare of other students or staff. Please see Section 7 below.

6.5 **Culture:** The culture of the School is to foster good relationships between students and between members of staff and students. Bullying, harassment, victimisation and discrimination will not be tolerated. The School and its staff will act fairly in relation to the Student and the Parents and We expect the same of the Student and the Parents in relation to the School and any member of the School community.

6.6 **Physical contact:** The Parents consent to such physical contact with the Student:

6.6.1 as may accord with good practice; or

6.6.2 as may be appropriate and proper for teaching and instruction; or

6.6.3 for providing comfort to the Student in distress; or

6.6.4 to maintain safety and good order; or

6.6.5 in connection with the Student's health and welfare.

The Parents also consent to the Student participating in contact and non-contact sports and other activities as part of the normal School programme or extra-curricular programme. The Parents acknowledge that while the School will provide appropriate supervision the risk of injury cannot be eliminated.

6.7 **Disclosures:** The Parents must, as soon as possible, disclose to the School in confidence:

6.7.1 any known medical condition, health problem or allergy affecting the Student;

6.7.2 any history of a learning difficulty on the part of the Student or any member of his / her immediate family;

6.7.3 any disability, special educational need or any behavioural, emotional and / or social difficulty on the part of the Student;

6.7.4 any family circumstances, court proceedings or court orders which might affect the Student's welfare or happiness;

6.7.5 any concerns about the Student's safety;

6.7.6 any significant change in the circumstances of the Parents, including any changes to the Parents' financial circumstances or if either of the Parents is a Designated Person under any UK enactment or convicted of a criminal offence anywhere in the world;

6.7.7 if it is the Parents' intention that the Student is to be cared for and accommodated by someone who is not a close relative for a period of 28 days or more.

6.8 **Confidentiality:** The Parents authorise the Head to override their own and (so far as they are entitled to do so) the Student's rights to confidentiality, and to impart confidential information on a need-to-know basis where necessary to safeguard or promote the Student's welfare or to avert a perceived risk of serious harm to the Student or to another person at the School. In some cases, members of staff may need to be informed of any particular vulnerability the Student may have.

The School reserves the right to monitor the Student's use of:

6.8.1 email;

6.8.2 the internet and any internet based platform; and

6.8.3 mobile electronic devices.

See also the School's policy on acceptable use of IT and email.

- 6.9 **Special precautions:** The Head needs to be aware of any matters that are relevant to the Student's safety and security. Accordingly the Parents must immediately notify the Head in writing of any family circumstances, court proceedings or court orders or situations of risk in relation to the Student for whom any special safety precautions may be needed. The Head may exclude one or both of the Parents from School premises if, acting in a proper manner, he / she considers such exclusion to be in the best interests of the Student or any other member of the School community.
- 6.10 **Leaving School premises:** The School will do all that is reasonable to ensure that the Student remains in the care of the School during School hours but does not accept responsibility for the Student if he / she leaves School premises in breach of School rules or regulations. The School is not legally entitled to prevent a student aged 16 years or over from leaving School premises during School hours.
- 6.11 **Residence during Term time:** The Student is required during Term time and at weekends and half term, to live with the Parents or with an education guardian acceptable to the School. The Parents must immediately notify the Head in writing if the Student will be residing during Term time under the care of someone other than the Parents or his / her education guardian.
- 6.12 **Communications from the Parents:** Communications or instructions from one of the Parents or any person with Parental Responsibility shall be deemed by the School to be received from both Parents unless there is clear evidence of a contrary view. This requirement does not apply to the giving of Notice for the Cancellation of the place or the Withdrawal of the Student from the School. Those persons who are required to consent to or to give Notice of Cancellation or Withdrawal are set out in clause 9.2.
- 6.13 **Absence of the Parents:** The Parents must inform the Head in writing of the name, address and telephone number for 24 hour contact for the adult who will have the care of the Student at any time when both the Parents will be absent from the Student's home overnight or for a 24 hour period or longer.
- 6.14 **Education guardians:** The Parents, if resident outside the United Kingdom, must before Entry appoint an education guardian for the Student in the United Kingdom who has been given legal authority to act on behalf of the Parents in all respects and to whom the School can apply for authorities when necessary. The School accepts no responsibility for the Student when he / she is in the care of the Parents or his / her education guardian. The Parents or the Student's education guardian must make holiday arrangements, including travel to and from the School, in advance. The Parents are responsible in each case for making suitable arrangements to appoint an education guardian. The Parents shall, immediately on appointment, provide the School with up to date contact details for the appointed education guardian and shall immediately notify the School of any changes to those details. The Parents shall upon request provide such further information to the School as it reasonably requires to satisfy itself that the proposed appointment and or arrangements are suitable. Failure to provide such information upon request may constitute unreasonable behaviour. See clause 8.12.3.

6.15 **Photographs or images (including video recordings):** The School may obtain and use photographs or images (including video recordings) of the Student for:

6.15.1 use in the School's promotional material such as the prospectus, the website or social media;

6.15.2 press and media purposes; or

6.15.3 educational purposes as part of the curriculum or extra-curricular activities.

Please see the School's student privacy notice for more information about how the School uses photographs and videos of students.

6.16 **Request for confidentiality:** The Parents may ask Us to keep information about the Student confidential. For example, You may ask Us to not use photographs of the Student in promotional material or ask Us to keep the fact that the Student is on the School roll confidential. If the Parents would like information about the Student to be kept confidential, they must immediately contact the Head in writing, requesting an acknowledgment of their letter. The Parents will not record meetings or discussions with any staff member or representative(s) of the School without consent.

6.17 **Transport:** The Parents consent to the Student travelling by any form of public transport or transport arranged by the School through an external company and / or in a motor vehicle driven by a responsible adult who is duly licensed and insured to drive a vehicle of that type.

6.18 **Student's personal property:** The Student is responsible for the security and safe use of all his / her personal property including money, mobile electronic devices, locker keys, watches, computers, musical instruments and sports equipment, and for property lent to him / her by the School.

6.19 **Insurance:** The Parents are responsible for insurance of the Student's personal property whilst at School or on the way to and from School or any School-sponsored activity away from School premises.

6.20 **School's liability:** Unless negligent or in breach of another legal duty which causes injury, loss or damage, the School does not accept responsibility for accidental injury or other loss caused to the Student or the Parents or for loss or damage to property.

7 **Health and medical matters**

7.1 **Medical declaration:** Before the Student enters the School the Parents will be asked to complete a Confidential Information Form concerning the Student's health and must inform the Head in writing if the Student develops any known medical condition, health problem or allergy, or will be unable to take part in games or sporting activities, or has been in contact with anyone with an infectious or contagious disease.

7.2 **Medical care:** The Parents must comply with the School's recommendations which may include a reasonable decision to release the Student home or to his / her education guardian when he / she is unwell.

7.3 **Student's health:** The Head may at any time require a medical opinion or certificate as to the Student's general health where the Head considers it necessary as a matter of professional judgement and in the best interests of the Student and / or the School community. The Student, if of sufficient age and maturity, is entitled to insist on

confidentiality which can be overridden in the Student's own interests or where necessary for the protection of other members of the School community.

7.4 **Medical information:** Throughout the Student's time as a member of the School, the School shall have the right to disclose confidential information about the Student if it is considered to be in the Student's own interests or necessary for the protection of other members of the School community. Such information will be given and received on a confidential, need-to-know basis.

7.5 **Emergency medical treatment:** The Parents authorise the Head to consent on their behalf to the Student receiving emergency medical treatment where certified by an appropriately qualified person as necessary for the Student's welfare and if the Parents or a second emergency contact cannot be contacted in time.

8 Behaviour and discipline

8.1 **School regime:** The Parents accept that the School will be run in accordance with the authorities delegated by the Board of Directors to the Head. The Head is entitled to exercise a wide discretion in relation to the School's policies, rules and regime and will exercise those discretions in a reasonable and lawful manner, and with procedural fairness when the status of the Student is at issue. The Parents accept that the School's policies, procedures and regime may be subject to change at short notice, if in the opinion of the Head it is deemed appropriate to do so in the circumstances prevailing at the time.

8.2 **Conduct and attendance:** We attach importance to courtesy, integrity, good manners, good discipline and respect for the needs of others. The Parents warrant that the Student will take a full part in the activities of the School, will attend each School day, will be punctual, will work hard, will be well-behaved and will comply with the School rules about the wearing of uniform and general appearance.

8.3 **School rules:** The School rules which apply are set out in the Policy Documents on the School website and other documents published from time to time. The Parents are requested to read these documents carefully with the Student before they accept the offer of a place.

8.4 **School discipline:** The Parents accept the authority of the Head and of other members of staff on the Head's behalf to carry out searches and investigations and take all reasonable disciplinary or preventative action necessary to safeguard and promote the welfare of the Student and / or any other student and / or the School community as a whole. The School's policies on behaviour and discipline current at the time and published on the School website apply to all students at the School and at all times when the Student is in or at school (including when engaged in online or remote learning), representing the School or wearing School uniform, travelling to or from School, on School-organised trips, engaging with other members of the School community or when they are otherwise associated with the School at any time. The policies shall also apply at all times and places in circumstances where failing to apply this policy may affect the health, safety or well-being of a member of the School community or a member of the public, have repercussions for the orderly running of the School or bring or could bring the School into disrepute.

8.5 **Investigative action:** A concern, allegation, complaint or rumour of misconduct will be investigated. The Student may be questioned and the Student and his / her belongings may be searched in appropriate circumstances. The Parents will be informed of any searches for prohibited items and that the Student may face formal disciplinary sanctions, unless the

School is prevented from doing so. If considered necessary, the School may make arrangements for legal representation for the Student to be funded at the Parents' expense. If, under the School's disciplinary policy, a disciplinary meeting with the Head is required before a decision is taken, the School will make reasonable efforts to notify the Parents or the Student's education guardian so that they can attend. In the absence of the Parents or the Student's education guardian, the Student will be assisted by an adult (usually a teacher) of his / her choice.

- 8.6 **Divulging information:** Except as required by law, the School and its staff shall not be required to divulge to the Parents or others any confidential information or the identities of students or others who have given information which has led to the complaint or which the Head has acquired during an investigation.
- 8.7 **Drugs and alcohol:** The Student may be given the opportunity to provide a biological sample under medical supervision if involvement with drugs is suspected, or a sample of breath to test for alcohol consumed in breach of School rules or policy. A sample or test in these circumstances will not form part of the Student's permanent medical record.
- 8.8 **Sanctions:** The School's current policies on sanctions are available to the Parents on request before they accept the offer of a place. Those policies may undergo reasonable change from time to time but will not authorise any form of unlawful activity. Sanctions may include a requirement to undertake menial but not degrading tasks on behalf of the School or external community, detention for a reasonable period, withdrawal of privileges, Suspension, or Removal or Expulsion.
- 8.9 **Definitions of sanctions:** The definitions in this clause apply in these terms and conditions.
- Expulsion:** means that the Student is required to leave the School permanently in circumstances described in clause 8.10.
- Removal:** means that the permanent removal of the Student from the School is required in circumstances described in clause 8.12.
- Suspension:** means that the Student is sent or released home for a limited period as a disciplinary sanction or pending a Board of Directors' Review.
- Withdrawal:** has the meaning set out in clause 9.5.
- 8.10 **Expulsion:** The Student may be formally expelled from the School if it is proved on the balance of probabilities that the Student has committed a serious breach of discipline or a criminal offence. Expulsion is reserved for the most serious breaches. The Head shall act with procedural fairness in all such cases. The Head's decision to expel shall be subject to a Board of Directors' Review if requested by the Parents. The Student shall be suspended from the School pending the outcome of the Review. See clause 8.15 and clause 8.16.
- 8.11 **Fees following Expulsion:** If the Student is expelled, there will be no refund of the Acceptance Deposit or of Fees for the current or past Terms but the Additional Deposit, if paid, will be refunded without interest less any sums owing to the School. There will be no charge to Fees in lieu of Notice but, save for any contrary provisions in any other agreement made between the Parents and the School, all arrears of Fees and any other sums due to the School will be payable.

- 8.12 **Removal in other circumstances:** The Parents may be required to remove the Student permanently from the School if, after consultation with the Parents and if appropriate the Student, the Head is of the opinion that:
- 8.12.1 the Student has committed a breach or breaches of School rules or discipline for which Removal is the appropriate sanction; or
 - 8.12.2 by reason of the Student's conduct, behaviour or progress, the Student is unwilling or unable to benefit sufficiently from the educational opportunities and / or the community life offered by the School; or
 - 8.12.3 one or both of the Parents have behaved unreasonably, including but not limited to if they have treated the School or members of its staff or any member of the School community unreasonably or acted in a way which could bring the School into disrepute; or
 - 8.12.4 the Student's presence at the School presents a risk to himself / herself and / or to any other student and the Student's Removal is considered necessary and proportionate; or
 - 8.12.5 the School is no longer able to provide adequately for the Student's special educational needs; then

in these circumstances, and at the sole discretion of the Head, Withdrawal of the Student by the Parents may be permitted as an alternative to Removal being required. The Head shall act with procedural fairness in all such cases, and shall have regard to the interests of the Student and the Parents as well as those of the School. A decision by the Head to require the Removal of the Student shall be subject to a Board of Directors' Review if requested by the Parents. The Student shall be suspended from the School pending the outcome of the Review. A Withdrawal under this clause is not subject to a Board of Director's Review. See clause 8.15 and clause 8.16.

- 8.13 **Fees following Removal:** If the Student is removed or withdrawn in the circumstances described in clause 8.12, the provisions relating to Fees shall be as set out in clause 8.11 save that the Acceptance Deposit and the Additional Deposit, if paid, will be refunded without interest less any sums owing to the School.
- 8.14 **Leaving status:** The School reserves the right to record the leaving status of the Student on the Student's file immediately after Expulsion or Removal or Withdrawal.
- 8.15 **Board of Directors' Review:** The Parents may request a review by Directors (**Board of Directors' Review**) of a decision to expel or require the Removal of the Student from the School (but not a decision to suspend the Student unless the Suspension is for 11 School days or more, or would prevent the Student taking a public examination). A Board of Directors' Review will usually be conducted using Stage 3 of the School's complaints procedure current at that time. The Head will confirm the correct procedure when he / she informs the Parents of his / her decision. A Board of Directors' Review will be conducted under fair procedures in accordance with the requirements of natural justice.
- 8.16 **Student's status pending Review:** If the Parents request a Board of Directors' Review, the Student will be suspended from School until the review procedure has been completed. While suspended, the Student shall remain away from School and will have no right to enter School premises during that time without written permission from the Head.

8.17 **Complaints procedure:** A complaint as described in clause 6.2 above which does not involve an Expulsion or Removal of the Student must be made in accordance with the School's complaints procedure, a copy of which is available on request. Every reasonable complaint shall receive fair and proper consideration and a timely response.

11 General contractual matters

11.1 **Variations:** these Terms and conditions, the Conditions of Award (if applicable) and the fees list are subject to change from time to time to reflect changes in the law or in custom and practice at the School.

11.2 **Data protection:** The School has a parent privacy notice and a student privacy notice which explain how the School will use the Parents' and the Student's personal data. These privacy notices and key information from them are published on the School's website at: <https://www.mounthouse.org.uk/about-us/policies/>. The Parents must read these privacy notices in full and not just the key information before signing the acceptance form. If the Student is going to enter Year 7 or above, the Parents must show the Student a copy of the student privacy notice and discuss it with him / her before accepting the offer of a place.

11.3 **Change:** The School, as any other, is likely to undergo a number of changes during the period of this contract. For example, there may be changes in the staff, and in the premises, facilities and their use, in the curriculum and the size and composition of classes, and in the School rules and procedures, the disciplinary framework, and the length of School Terms. In addition, there may be the need to undertake a corporate reorganisation exercise and / or a merger or change of ownership may be necessary. For these reasons, the benefit and burden of this contract may be freely assigned to another party at the discretion of the School.

11.4 **Consumer rights:** Care has been taken to use plain language and to give clear explanations in these Terms and conditions. If any words alone or in combination infringe consumer rights laws or any other provision of law, they shall be treated as severable and shall be replaced with words which give as near the original meaning as may be fair. Nothing in these Terms and conditions affects the Parents' statutory rights.

11.5 **Consultation:** It is not practicable to consult with the Parents and the Student over every change that may take place. Whenever practicable, the School will use reasonable endeavours to ensure that the Parents will be consulted and provided with reasons for the change and where possible given at least a Term's notice in writing of:

11.5.1 a change of ethos or culture; or

11.5.2 a change in any physical aspect of the School which would have a significant effect on the Student's education or pastoral care; or

11.5.3 a change of ownership of the School

where such changes are not temporary.

11.6 **Information for parents:** We provide parents of prospective students with information about the School and the educational services we provide in good faith. This information may be contained in the School's prospectus / website / promotional literature or in statements made by staff or students during a visit or an open day. If the Parents intend to take account of the information provided to them when deciding whether to enter into this contract they should seek specific confirmation from the Head that the information is accurate before returning a completed acceptance form to the School.

11.7 **Third party rights:** Only the School and the Parents are parties to this contract. Neither the Student nor any third party is a party to this contract and shall not have any rights to enforce any term of it.

- 11.8 **Interpretation:** These Terms and conditions supersede any previously in force and will be construed as a whole. Headings, unless required to make sense of the immediate context, are for ease of reading only and are not otherwise part of these Terms and conditions.
- 11.9 **Severability:** If any provision or part-provision of this contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this contract.
- 11.10 **Jurisdiction:** This contract was made at the School and it, together with each matter relating to the provision of educational services by the School, is governed exclusively by the law of England and Wales and the parties submit to the non-exclusive jurisdiction of the Courts of England and Wales.
