

PERIPATETIC MUSIC TEACHERS

NOEL MARTIN GUITAR

With 25 years of teaching experience and even more performing live, recording and song writing, I offer many styles of tuition from classical and folk, to rock and pop.

As learning styles differ, I endeavour to tailor each learning experience to the individual student. I offer graded teaching through several exam boards and if preferred, a more casual and relaxed approach.

I have been playing the guitar for over 30 years and it has taken me on tours of Europe and the American East Coast, to Australia to record an album and to many treasured recording sessions closer to home, at London's world-famous Abbey Road Studios. My live performances have included venues such as Wembley Arena, Birmingham Arena, the Shepherd's Bush Empire and Brixton Academy.

I strive to bring these years of experience to my students and am forever passionate and enthusiastic about inspiring a new generation of musicians and performers.
