Bus Protocols

**PLEASE REVIEW THE FOLLOWING PROTOCOLS, WHICH ALL STUDENTS MUST FOLLOW.
FAILURE TO COMPLY WILL RESULT IN THE STUDENT'S PLACE ON THE BUS BEING WITHDRAWN.**

Pick up and drop off procedures

- It is important that students arrive at their pick-up point at least five minutes before departure. The coach will leave at the time stated on the schedule, and drivers are instructed to wait at the pick-up point until the scheduled departure time.
- If your child misses the coach in the morning, it will be your responsibility to get them to school.
- Should your child miss the coach from school in the afternoon, they will be directed to Reception where we will contact you to arrange transport home.

Boarding and disembarking the bus

- Please do not crowd the bus entry.
- Students should wait for the vehicle sensibly. Reports of inappropriate behaviour at the pick-up and drop-off point and, on the bus, will be referred to the school and dealt with accordingly. Students should be mindful that while in uniform they are representing their school.
- Please wait in a queue for the driver to call out your name before getting on the coach.
- Drivers will carry a daily register. Clearly state your full name to the driver. It is important for the school to know who is on the bus at any one time.
- When on board, students should immediately find a seat. Seat belts must be worn where provided. You are not permitted to save seats on the bus or change seats when the bus is in transit.
- Please remain in your seat until the driver has stopped the bus, opened the door and the front rows have disembarked.
