## **Bus Protocols**

**PLEASE REVIEW THE FOLLOWING PROTOCOLS, WHICH ALL STUDENTS MUST FOLLOW.  
FAILURE TO COMPLY WILL RESULT IN THE STUDENT'S PLACE ON THE BUS BEING WITHDRAWN.**

### **Pick up and drop off procedures**

- It is important that students arrive at their pick-up point at least five minutes before departure. The coach will leave at the time stated on the schedule, and drivers are instructed to wait at the pick-up point until the scheduled departure time.
- If your child misses the coach in the morning, it will be your responsibility to get them to school.
- Should your child miss the coach from school in the afternoon, they will be directed to Reception where we will contact you to arrange transport home.

### **Boarding and disembarking the bus**

- Please do not crowd the bus entry.
- Students should wait for the vehicle sensibly. Reports of inappropriate behaviour at the pick-up and drop-off point and, on the bus, will be referred to the school and dealt with accordingly. Students should be mindful that while in uniform they are representing their school.
- Please wait in a queue for the driver to call out your name before getting on the coach.
- Drivers will carry a daily register. Clearly state your full name to the driver. It is important for the school to know who is on the bus at any one time.
- When on board, students should immediately find a seat. Seat belts must be worn where provided. You are not permitted to save seats on the bus or change seats when the bus is in transit.
- Please remain in your seat until the driver has stopped the bus, opened the door and the front rows have disembarked.
